

Trimmer Transport & Security Rack

SPDDTR3

Phoenix USA offers an innovative trailer transport solution for the landscaping industry:

- Prevents scratching, denting and rotation during transport.
- Robust lockout & security plate prevents tampering.
- Bright green color increases visibility for safety.
- Powdercoat finish & stainless steel latches help resist elements.
- Locking plate allows one lock to secure all three tools.
- Remove one tool from any of the three positions without releasing others.
